

CD4 TREASURER CANDIDATE CAL LINN, DOUGLAS COUNTY

Having made a living for 25 years as an Engineer and Business Executive it was time to give-up the Board Room for the quiet life of a cattle rancher in Oregon.

As a Rancher being affected by every environmental whim and harassment of a state government that does everything possible to place every deterrent for business.

Joining the movement to make Oregon conservative was a natural direction for a conservative that has always been a Republican.

A PCP in Douglas County for more than 10 years and serving on the DCRCC Executive Board in several positions, currently as Treasurer.

Believing that Oregon is worth changing for our children, by returning our state to conservative values and business friendly government is a priority.

Joining the CD4 Team to help organize the district to accomplish those changes is a great opportunity.
