

Oregon Votes By Mail . . .

If you have been displaced by wildfires and do not have an address . . . don't worry!

Evacuated or Displaced Voters can vote by:

1. *Picking up all of your mail (including ballots once they are mailed) at the post office that serves your permanent residence address.*
2. *Submitting a **Temporary Mailing Address** (The Deadline to update voter registration is October 13)*
 - Online <https://sos.oregon.gov/voting/Pages/myvote.aspx?lang=en>
 - Paper Form <https://sos.oregon.gov/elections/Documents/SEL111.pdf>
3. *Contact your county election office after October 1 for additional options they may have for pickup. Voters who are homeless (shelter, park, motor home, or other identifiable location as their residence) or mail service is not available can pick up their ballot at the county elections office.*
4. **Vote in-person** at a county clerk's office with a Provisional Ballot. *If you are temporarily living in a different county than the one you are registered in, you can go to any county clerk's office in Oregon and ask them to print out a ballot that will match one you would normally get at home.*

Frequently Asked Questions

When are ballots being mailed?

Ballots will start being mailed October 14.

If I submit a change of address through USPS, will my ballot be forwarded to the new address?

No . . . Ballots are unable to be forwarded. It is one of the security features of our system. You must inform election officials of your temporary address using one of the methods above in order to have your ballot sent there.

Do I need to register to vote from my temporary address?

No . . . You do not need to re-register to vote if you are living somewhere temporarily because you have been displaced by wildfires. You just need to let us know where to mail your ballot by one of the methods above.

Will I be able to vote on the local measures where my permanent address is located, even if I am temporarily living outside that area?

Yes . . . The ballot you receive will contain the contests for your residential address, not your temporary mailing address.

What if my mailbox was destroyed?

If mail cannot be delivered to your home or mailbox, it will be held at your local post office and you can pick it up there.
